## GOURMET TOUR/LYON

### Private tour dedicated to fine local food and history of Lyon

Discover the city in another way, guided interactive tour in the old city as well as the « Presqu'île »

Different stops are organized on the way, in fine grocery stores, pastry shops, bakeries, typical restaurants and wine shops...

Let's taste salted and sweet samples and let's meet the shop keepers who love to show their « know how » as food artisans !

By the way, let's discover the famous traboules and miraboules, those hidden by ways and corridors to go through the old city , listed world Heritage since 1998, thanks to UNESCO.

A mixed tour of Lyon city, historic, fun, and loved by foodies !
